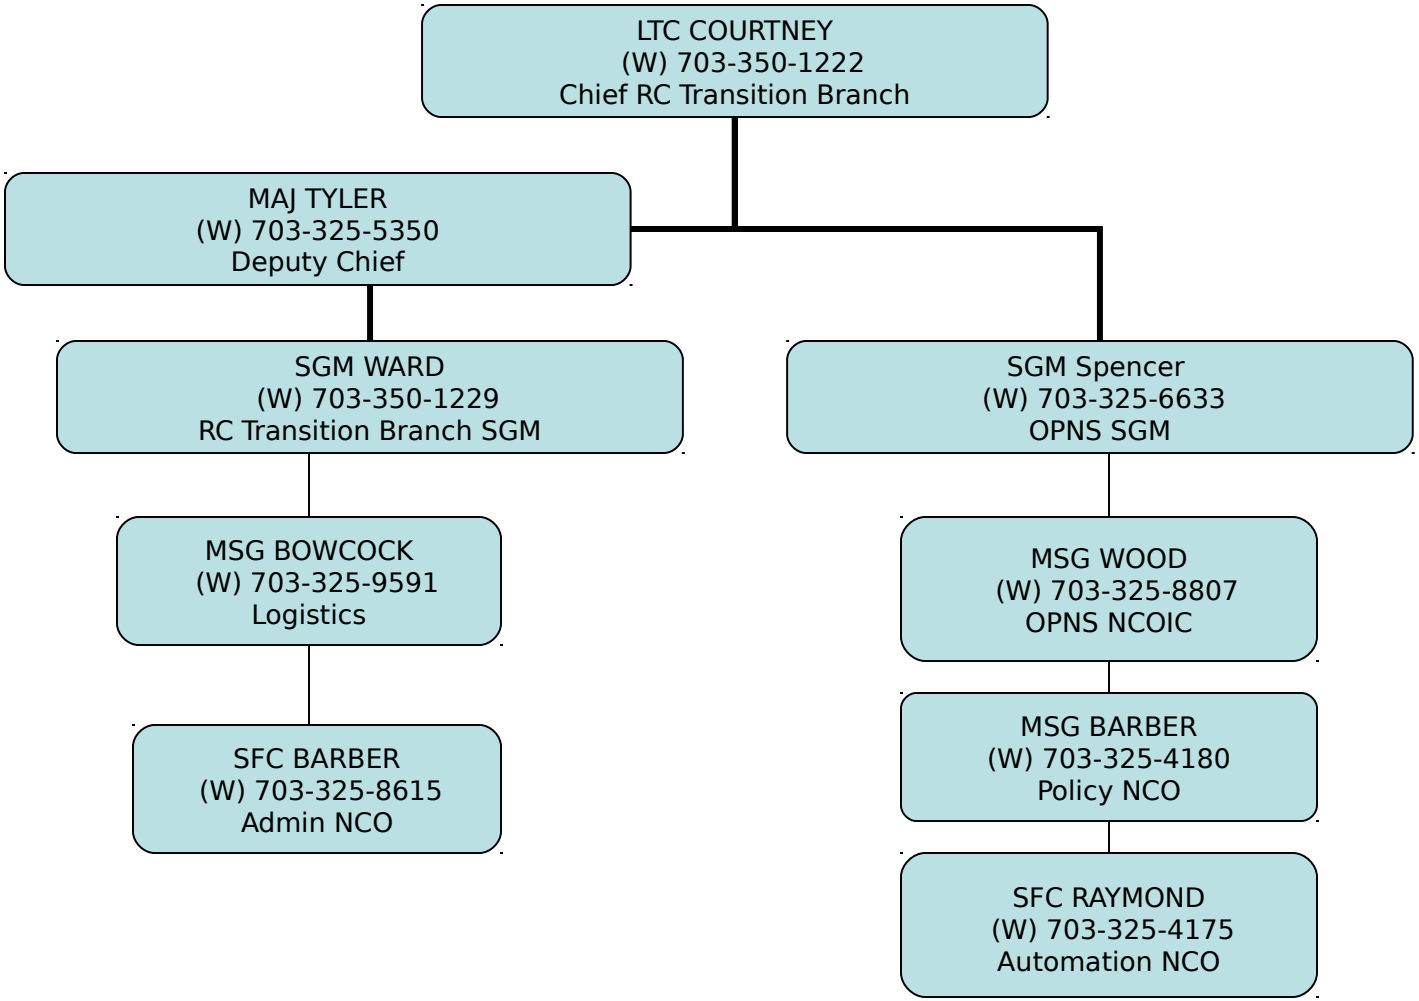
RC TRANSITION BRANCH



RESERVE COMPONENTS RETENTION PROGRAM

MISSION

RC Transition Program was developed to:

- Assist the Army in achieving its congressionally mandated mission of enlisting and transferring highly qualified Soldiers into the RC (Improve the "Total Army" readiness posture).

PURPOSE

- Present important information about Selected Reserve membership and requirements for continuing a military career. All Soldiers PVT through CPT (including all Warrant Officers) are required to attend a Transition Counseling Session with their Reserve Component Career Counselor 90 to 180 days prior to expired term of service (ETS).
